

ARE YOU INTERESTED IN A CAREER WITHIN TEACHING ACROSS ENGINEERING, CONSTRUCTION, MANUFACTURING, SCIENCE AND DIGITAL?

Kirklees College is a leading college in West Yorkshire, wants to hear from qualified teachers or industry professionals who might be interested in working with the college on a full time or part time basis either teaching, training and assessing or as a guest speaker.

CAREER OPPORTUNITIES

Because the Engineering, Science Process Manufacturing and Digital provisions and associated apprenticeship schemes are growing areas, there are a number of career opportunities for those wanting to begin a truly rewarding career and make a real difference by training a new generation of Engineers, Science, Digital professionals and technicians.

We are therefore looking for people with a variety of knowledge, skills and experience to meet this need. If you are thinking of a career change into teaching/assessment, with an opportunity to gain a teaching/ assessor qualification, then this is the employer for you.

SUPPORTING STAFF WITH QUALIFICATIONS

We are keen to hear from those currently working in the industry who may be looking for a career change, and will support you to complete the relevant qualifications.

STATE-OF-THE-ART FACILITIES

Kirklees College has an extensive Engineering site as well as a £5.3million Process Manufacturing Centre. The centres offer state-of-the-art Engineering and Process Manufacturing training facilities and science laboratories, as well as high quality teaching rooms, IT equipment and learning resources. The college has developed strong partnerships with local employers to support these excellent provisions.

MAKE THE MOVE TO YORKSHIRE

Do you like the sound of this exciting career opportunity? Are you looking for a life changing move to a wonderful part of the UK?

Here in Yorkshire there is so much to be excited about, from national parks, award winning attractions, family fun days out, stunning scenery, lively social opportunities and the experience of several major cities and all they have to offer.

If you are interested in any of these roles please email your CV to jobs@kirkleescollege.ac.uk

Alternatively, please call our Head of Faculty, Steve Paton-Eley on **01484 437000 Ext 7135** for an informal chat or arrange to come along to our centre for a look around.
