EVENTS

YOUNG CHEF OF THE YEAR

Kirklees College's Hospitality department would like to invite budding chefs from all our surrounding schools to take part in the Kirklees College "Young Chef of the Year" competition.

The competition aims to find aspiring young chefs, provide them with guidance and encouragement in their chosen career and allow them to showcase their culinary skills.

Deadline for entries: Monday 20 March

Heat 1: Tuesday 25 April 2017

Heat 2: Tuesday 2 May 2017

Heat 3: Tuesday 9 May 2017

Final: Tuesday 20 June 2017

For more information or to register your interest please contact us.

SPORTS ACADEMY

Thinking of coming to college? It doesn't matter what course you're on we have places for male and female football and rugby teams. If you're in Y11 come and try out. **Our open trails are at 4.00pm - 5.30pm on:**

30 November **8 February**
26 April **7 June**

Other sports events:

School Sports Competitions, Y9 - Y11

5 April, 4.00pm - 6.00pm - Schools Cup Football tournament (male and female teams)

7 June, 4.00pm - 6.00pm - Rugby 7s tournament

We also have a boxing academy with tasters available.

Speak to your PE teacher.

PETER JONES ENTERPRISE ACADEMY CHALLENGE DAY

After a successful first year, Innov8 is back. It's a competition run throughout Kirklees and Calderdale, to crown the most innovative and enterprising students.

It is all about ideas, imagination, passion and determination. Please choose a date and contact us to reserve your place.

Day 1 - 20 June 2017 **9.30am - 12.00pm**

Day 2 - 23 June 2017 **9.30am - 12.00pm**

Day 3 - 27 June 2017 **1.00pm - 3.30pm**

MATCHFIT

Has your school got what it takes to beat the rest and be the best?

We would like to invite schools from the surrounding areas to take part in the competition.

All schools take part in both sport and public service activities.

Schools can enter teams of 8 to 10 students, mixed female and male teams, open to students in Year 9 to 12

Free to enter

17 May 2017

Introduction

Taster sessions at Kirklees College

Tasters are a great way to find out about a subject area and decide if it's the right option for you. They are open to students in Years 9–13. Sessions are targeted to Years 11–13 during October to December, Years 9–10 during January to Easter and Year 9 during Easter to June.

If the session takes place during the school day then you will need to get your school to sign the booking form authorising you to miss school. For twilight sessions, (after school hours) just complete the booking form and return it to us with a parent or guardian's signature. We will then send you further information about attending the session. Sessions are booked on a first-come, first-served basis and are free to take part in. Sessions will run subject to minimum numbers. NB we will need at least one week's notice to book onto a session.

If you have any questions then please do not hesitate to contact us on schoolsliasion@kirkleescollege.ac.uk or call us on **01484 437092**

OUR CENTRES

Batley School of Art

Wheelwright Centre, Birkdale Road, Dewsbury, WF13 4HQ.

Course areas: art, design, fashion and photography.

Based in Dewsbury, the centre has great facilities, including a drive-in photography studio, library, gallery space, refectory and other art and design studios.

Brunel Construction Centre

Old Fieldhouse Lane, Off Leeds Road, Huddersfield, HD2 1AG.

Course areas: construction

The Brunel Construction Centre specialises in construction courses and has recently undergone considerable investment to improve its facilities, including plumbing and electrical workshops, making it an even better place to become successful in your chosen trade.

Dewsbury Centre

Halifax Road, Dewsbury, WF13 2AS.

Course areas: Access to HE, business, computing, construction, childhood studies, ESOL, foundation learning, hair and beauty, health and social care and motor vehicle (Entry Level 3 and Level 1).

Home to further and higher education courses, the centre has a refectory, cafe, study centre, careers library, spacious Construction Academy, hair and beauty salons and easy access to town centre transport.

Engineering Centre

Turnbridge Road, Off St Andrew's Road, Huddersfield, HD1 6RA.

Course areas: engineering and motor vehicle.

Opened in August 2012, the college's specialist Engineering Centre includes maintenance and fabrication workshops, CNC and mechanical workshops, demonstration areas, classrooms, a rolling road and spray booths.

Hargate Hill Equestrian Centre

Glossop, SK13 6JL.

Course areas: animal care, horse management and horse care.

Animal care and equine students can take advantage of the facilities at Hargate Hill Equestrian Centre, Glossop. The modern centre caters for 150 horses and a variety of other animals. It helps students learn essential practical skills. Situated on the edge of the stunning High Peak National Park, Hargate Hill also features tranquil lakes and 150 acres of beautiful countryside.

Highfields Centre for Media, Music and Performing Arts

Highfields Road, New North Road, Huddersfield, HD1 5LS.

Course areas: media, music and performing arts.

Highfields has impressive professionally-designed, soundproofed rehearsal rooms, recording studios, media equipment and performance and rehearsal spaces.

Huddersfield Centre

Waterfront Quarter, Manchester Road, Huddersfield, HD1 3LD.

Course areas: Access to HE, animal care, art and design, business and enterprise (including Peter Jones Enterprise Academy), childhood studies, computing, ESOL, foundation learning, hair and beauty, health and social care, hospitality and catering, science, sport and travel and tourism.

The Huddersfield Centre opened in September 2013 and offers nine floors of classrooms and workshops, a gym, training restaurants, hair and beauty salons, mock air cabin simulator, student services and much more.

The Process Manufacturing Centre (PMC)

Technology Quarter, Turnbridge Road, Off St Andrew's Road, Huddersfield, HD1 6RA

Course areas: Apprenticeships in process manufacturing/ warehousing, storage and logistics

The PMC is an employer-led training centre for process manufacturing industries. The centre opened in 2016 and provides a state-of-the-art process manufacturing training facility, chemistry laboratories and IT and learning resources.

Taylor Hill Centre

Close Hill Lane, Taylor Hill, Huddersfield, HD4 6LE.

Course areas: countryside, equine and animal care.

The award-winning eco-friendly Taylor Hill Centre houses the college's animal care and countryside management courses. The £1.6m development features a turf roof, wind turbine and solar wall. The centre has a tropical butterfly habitat, greenhouses, beehives, extensive outdoor facilities and wildlife ponds.

Animal care

ANIMAL CARE

The Animal care taster will be based at Taylor Hill Centre. You will get a tour of our facilities and a chance to work with some of our animals on the unit.

Process manufacturing

What is process manufacturing?

Any manufacturing operations which are primarily driven or controlled by a 'recipe' or 'formula'.... For example: Medicines, Agricultural chemical, Food & Drink, Gas & oil, Paint & coatings, Cosmetics, Soap, Confectionery, Household cleaning products to name but a few.

The companies who are involved in these activities range from the small to the very large, and often the companies are little known however their 'product brands' will be worldwide household names. We are already working with some of the major process manufacturing industries to develop apprenticeships which have great progression and employment prospects. We have staff available for talks in school, **please contact us for further information.**

Public services

PUBLIC SERVICES

The public services session will include an overview of the course and the potential careers students can go into. It will be a practical session involving team building, problem solving, communication skills and public service fitness testing. *Please bring your gym kit with you.*
