

MAKE YOUR VOICE HEARD

You may have seen a number of incidents in the news and posted on social media, which are understandably making people upset and angry. At Kirklees College, we do not tolerate any form of racism or bullying. Whilst we can't always speak publicly about individual cases, we can assure you that every required action is taken whenever necessary.

We fully understand that students may wish to participate in peaceful protest and urge you to follow social distancing measures if you do.

We are launching our KC Stand Together Pledge soon to give further opportunities for us to unite against discrimination and support equality, so look out for more information in the next few weeks.

The Students' Union welcomes your ideas for how we can take positive action against discrimination, please email studentsunion@kirkleescollege.ac.uk.

JUNE IS LGBTQ+ PRIDE MONTH

Pride is an opportunity for the LGBTQ+ community and their allies to come together to explore the history of the gay rights movement, teach tolerance and promote equality.

Although Pride celebrations may be different this year, you can still be involved.

Amnesty International, UK Black Pride, Stonewall and ParaPride are bringing Pride celebrations inside this year with **Pride Inside** – an online series of gigs, comedy shows, panel discussions and arts-based events.

In Huddersfield, LGBT Youth services, run by **The Brunswick Centre** are still offering support online through groups and 1:1.

In college, the LGBTQ+ group is back and will be meeting every Wednesday online from 10 June.

Please email support@kirkleescollege.ac.uk for more information.
