4. Click on the 'Courses' icon on the left hand side of your screen

MAIN MENU

- Home
- Courses

This will display tiles showing all of the qualification options available to you.

You will need to complete an Initial Assessment for maths (Reforms), English (Reforms) and ICT.

5. Click on the tile of the assessment you wish to complete first. This will take you to the screen below

6. Click on 'Take an Initial Assessment'.

BKSB will save your progress as you go along. Should you need to complete the assessment over more than one session, revisit steps 1 to 4. At Step 5, your screen will show the option to 'Continue Initial Assessment' as below.

7. Once completed, the level at which you are currently working for that subject area will be calculated.

It is vital that you complete the assessment to the best of your ability to provide the college and your teachers with an accurate starting point for you for this academic year.
