

### CHANGES TO COVID-19 GUIDELINES

In Kirklees and other surrounding areas, tighter measures have been introduced to combat the rise in COVID-19 cases.

Click [here](#) for the latest guidance.

We are continually reviewing our COVID-secure measures and as government advice changes we will keep students, parents/carers and visitors informed.

Our Health & Safety Manager, Adam Darlow, will be joining us at our online KC Parent Pals meeting on 27 August to give information on our measures and answer your questions. Instructions on how to join this meeting will be sent by email.

To find out more please email [support@kirkleescollege.ac.uk](mailto:support@kirkleescollege.ac.uk)

### NORTHORPE HALL FREE WORKSHOPS

Northorpe Hall is delivering free workshops for children and young people and their parents/carers. The series includes supporting students back into education, an introduction to young people's mental health, support for parents and carers, self-harm and supporting sleep.

### 1-YEAR EDUCATION

As part of the government's COVID-19 skills recovery response, Kirklees College has been granted additional funding to support the delivery of selected qualifications.

We want to encourage as many learners as possible to complete a one-year training programme to support their progression into employment or an apprenticeship.

This offer is available to 18-19-year-olds who completed a course at Kirklees College in the last academic year. It is designed to give young people the opportunity to upskill or retrain and gain valuable employability skills and experience that will prove beneficial in the post-COVID job market.

Learners will be able to complete a course in the following areas: Construction, Engineering, Health and Social Care, IT, Manufacturing and Motor Vehicle.

Please email [info@kirkleescollege.ac.uk](mailto:info@kirkleescollege.ac.uk) for further information.

### NEW CYCLE/WALK TO COLLEGE INITIATIVE

We have recently launched the NEW Walk to College and Cycle to College Initiatives for students. We are asking students who live less than two miles away to walk or cycle into college from September, if possible. This is not only a healthier option but it also reduces the risk of infection from using public transport.

## RESULTS DAY 2020

The results release dates are:

**Thursday 13 August – posted to home address**  
Rockschool qualifications  
BTEC Level 3 Nationals exam results

**Thursday 20 August – available via Student Pro-Portal account**

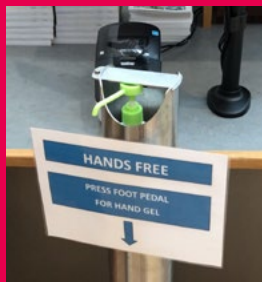

GCSE Maths, English and Biology  
Functional Skills Maths and English Level 1 and 2  
BTEC Level 2 exam results

**Friday 21 August – notified when available via Student Pro-Portal account**  
All other results

Students will be sent a certificate collection slot with a date and time of when to collect their certificate. If they are unable to collect it on the given date, certificates will be retained for 18 months to collect at a later date. Please check the college website for further updates. Results day students can access their results from 9am on ProPortal.

## STAY ALERT TO STAY SAFE

Following the government COVID-19 guidance, we have introduced new Health and Safety measures to keep you safe at college, including hand sanitising stations, one-way systems, floor markings, smaller classes, staggered timetables, online learning options and additional student support.

## PLEASE RETURN ENROLMENT FORMS

Students returning to college in September must return their enrolment form. If your young adult does not have a form, please email [customerservices@kirkleescollege.ac.uk](mailto:customerservices@kirkleescollege.ac.uk) to request a new one. Remember students will not be allowed to return to college unless they have returned this form.

## TOGETHERALL

Big White Wall has rebranded as 'Togetherall' to represent its community which is open and inclusive to everyone.

Although the name has changed, the service remains the same and students will be able to access 24/7 mental health support using their existing log in details [here](#).

STAY CONNECTED
