

# 16 to 19 Tuition Fund

The purpose of this statement is to set out how Kirklees College will use its 16 to 19 tuition fund allocation to support students who have been academically disadvantaged due to coronavirus (COVID-19).

## **How the College will use the 16 to 19 tuition fund**

The 16 to 19 tuition fund will be used to provide small group tuition for students aged 16 to 19 who have not yet achieved a grade 5 or above in English and/or maths. The provision is not limited to tuition for English and maths, but will also be used to help progressing students on vocational courses where assessment may have been deferred because of lockdown. In some cases it will provide additional Progress tutorial sessions to further enhance personal development and progression opportunities for identified students. Additional pastoral support will be delivered to ensure the wellbeing of learners and allowing them to fully engage with the available academic support.

Students with Special Educational Needs and Disabilities (SEND) - including those aged 19 to 24 who require additional tuition to help them catch up with their studies - will also be supported by this provision.

Tuition groups will comprise of no more than five students and the tuition sessions will be scheduled in addition to the planned programme of study hours already timetabled for the academic year 2020/21. Tuition and additional support may be delivered using a blend of online and on-site delivery.

Examples of some of the Tuition Support on offer will include:

- GCSE exam re-sit preparation
- Functional skills assessment preparation
- Vocational deferred assessment preparation

Tuition Support offered will be based on an individual needs assessment, the identification of an individual starting point, clear learning goals, expectations and outcomes.
