Let's Talk Real Skills

Kirklees College is one of the leading providers of training and development in the UK. We can offer advice and deliver the best training to meet your needs, from 'off the shelf' packages to a bespoke course on setting up and supporting an apprenticeship programme. All training can be delivered at our state-of-the-art facilities in Dewsbury or within your own business premises.

Let our experienced team help you complete an Online Skills Diagnostics and Enhanced Skills Plan including the following areas:

- Skills Shortages
- Workforce Training
- Staff Development/Upskilling
- Adult Learning
- Apprenticeships
- Traineeships
- Work Placements

Dewsbury is one of the top furniture and bedding manufacturing hubs in the UK, however some local manufacturers have often struggled to attract and retain local workers.

We would like to talk about this new initiative to promote working, skills and training in the bed and furniture manufacturing sector.

NORTH KIRKLEES

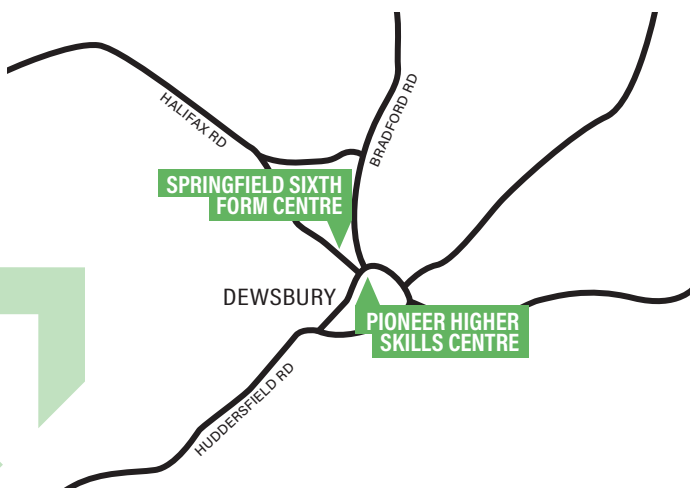

Let's Talk Real Skills

- To develop skills locally
- To attract more young people
- To invest in your workforce through upskilling
- To address skills shortages over the next few years
- To aid in recovery post Covid-19 pandemic and Brexit
- To increase skills in craft manufacturing, business support & digital skills
- To find out more about apprenticeship & traineeship programmes
- To arrange staff training

Have a brew on us and let our experienced team help you complete a Skills Diagnostic and Enhanced Skills Plan
