KC Futures - Huddersfield Centre and Springfield Sixth Form, Dewsbury

KC FUTURES

KC Futures can help you to boost your confidence, learn new skills and work with your peers to develop your team working ability through games and challenges. You will get to meet a diverse group of new people, take on a personal project and learn top tips to help you successfully write a CV to use alongside your improved job searching skills. You will also be supported to develop the skills and mindset required to positively approach future interviews and career focussed challenges.

APPRENTICESHIP VACANCIES

We have a number of live apprenticeship vacancies available on our website now.

Find out more about apprenticeships www.kirkleescollege.ac.uk/apprenticeship-vacancies

POWER UP PROGRAMME

We also have a new 3 month traineeship programme starting in early 2022. This is for people aged 16-24 who are looking to start an apprenticeship or gain employment skills. The Power Up programme includes a 2 week work placement and will help you get work ready.

If you're interested in any of these courses or would like more information please email
