

The Oasis Room

Welcome to the Oasis Room. Come in if you need a quiet space to talk to somebody about your support needs, help to self-regulate, have time out or ask for help.

What can you do in the Oasis Room?

- Sit quietly and do nothing so you can self-regulate and be ready to learn in the classroom
- Talk 1-1 with a member of the SEND team
- Join in fun peer group sessions to build your social skills and make friends
- Access external support agencies or talk about life after college
- Ask for help to organise your work
