INTRODUCTION

Welcome to the Kirklees College taster session booklet for students, teachers and parents/carers.

With so many options available to you, deciding what to do when you finish school can be a difficult decision to make. To help make your decision easier, the Student Recruitment team host a variety of activities across our different curriculum areas to see what you enjoy and make the move to college less daunting.

HOW DO OUR TASTER SESSIONS WORK?

Taster sessions are a great way to explore your interests and decide whether a subject is the right choice for you. They are open to students in Years 9 – 13. Sessions are targeted to Year 11-13 during October to December, Year 9-10 during January to Easter and Year 9 during Easter to June.

To book on to a session, complete the booking form at the back of this guide. Simply take a picture of your completed form and email to sturec@kirkleescollege.ac.uk.

INFORMATION FOR TEACHERS

You can visit college for a tour, book us for an assembly or event to come into schools to speak to your students about life at Kirklees College. If you can't find what you are looking for, please contact the Student Recruitment team and we will do our best to accommodate your needs.

If you have any questions about this guide, please contact the Student Recruitment team.

SPORTS ACADEMY

Kirklees College is proud to offer an elite performance sports academy that allows you to train in your chosen sport alongside your study programme. The academy is open to all students aged 16-19 enrolled on any college course (you don't have to be on a Sport course) with a talent and passion for sport. You can choose from the football or the rugby league pathway.

Kirklees College has its own state-of-the-art gym and fitness studio at the Huddersfield Centre which is free for all students to use. Strength, conditioning and fitness classes are available for sports academy students with experienced staff and coaches, including nutrition advice and agility training.

We're opening the doors to our centres throughout the year. Our Open Days provide you with an opportunity to see what college life has to offer. You can find out more about our courses, chat to our tutors and take a tour of our industry-leading facilities.
