

WELCOME TO **BRICKWORK** AT KIRKLEES COLLEGE

WELCOME FROM THE CURRICULUM AREA MANAGER

“Hi, I’m Paul and I’m the Curriculum Area Manager for Brickwork at Kirklees College. When you start your course, you will have access to all the training tools and facilities you need at Brunel Construction Centre and be taught by industry experts who can teach you all you need to know to become a qualified bricklayer.”

Paul

COURSES IN THIS AREA

- Bricklaying Level 1
- Bricklaying Level 2
- Bricklaying Level 3
- Onsite Construction: Bricklaying T Level

WHERE WILL YOU BE STUDYING?

Brunel Construction Centre

You will be studying at Brunel Construction Centre. This centre is located off Leeds Road in Huddersfield and is dedicated to the construction trades. The study programme offers a mixture of theory in the classroom and practical workshops. There is a trade counter for students to visit to ensure they have the right materials for the job. The centre also has a well-stocked LRC and refectory area.

IT STARTS WITH YOU

ADDITIONAL INFORMATION

The construction industry continues to grow and there is currently a shortage of workers to match the government's targets on new build.

At the start of your course, you will need a pair of steel toe cap boots that must be worn at all times in the workshops. All tools and building materials are supplied by the college.

Your timetable will usually be 16 hours a week. If you don't have GCSE grade 4 in English and maths then resitting these will be built into your study programme.

You will also have the opportunity to work with local employers and visit a range of different sites, learn from guest visits from industry experts and compete in the national SkillBuild competition.

You can download Microsoft software for free and access free Wi-Fi at college. If you need to access IT equipment, you can borrow devices from the LRC.

All 16 – 18 students have the opportunity to join our Sports Academy, if your timetable allows. We have a Football Academy and Rugby Academy, which both offer you the chance to train in your chosen field alongside your studies. To find out more about the different academies and trials, head to our website.

To see our centres or learn more about the Sports Academy, scan this QR code.

MEET OUR STUDENTS

“ I came to Kirklees College as the course was recommended to me by a friend. I enjoy getting stuck in with my practical work. I have all the facilities that I need and the tutors are great. After I complete my course, I am going to progress to an apprenticeship. ”

Jack, Brickwork Level 1

MEET ONE OF OUR SUBJECT TUTORS

“ As a bricklayer, passing down my knowledge and skillset to others and creating opportunities for students is a real passion and there is only one place to go. Brunel Construction Centre has the best tutors around with experience in abundance. Start your journey now at Kirklees College. ”

Patrick

FINANCIAL SUPPORT

We can support you with:

- Applying for bursaries if you're eligible
- Buying uniform and kits
- Free college meals
- Support with travel costs – you can apply for a travel pass before you start or collect a form from college

STUDENT SUPPORT

We have a wide range of support available including:

- Dedicated Personal Development Coach and Pastoral Mentor. Your Personal Development Coach will help you in tutorial sessions to work on our Personal Development Programme, while your Pastoral Mentor will be on hand to offer 1:1 support if and when you need it
- Additional learning support. This is available for students with specialist educational needs and disabilities and is delivered in various forms according to an individual's assessed needs or provisions within an Education and Health Care Plan (EHCP)
- Counselling service
- Careers advice

To find out more about financial and student support, scan this QR code

WORK PLACEMENT

As part of our Employability Pledge at college, all our 16 – 18 study programme students will have the opportunity to complete work experience and undertake a work placement during their time at college. You will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career, or complete work experience to achieve a Careers and Personal Development Passport Award.

If you have chosen to study a T Level, you will need to complete 315 hours of work placement during your two years of study.

CAREER PROGRESSION

On your course, you will complete a work placement and this can often support students to progress on to an apprenticeship. At the end of the course, demand is high for workers and students often start work on residential and business construction sites. Many students work for small building companies or set up their own business.

WELCOME DAYS

We would also like to invite you to a Welcome Day at your chosen centre in June. This is a great opportunity to come in and see where you will be learning in September, find out more about our facilities, your course and meet tutors and fellow new students. You will be sent more information shortly.

The Welcome Day is:
Brunel Construction Centre: 29 June

OPEN DAYS

Our Open Days provide information about the facilities and support available at college, as well as offer parents / carers and applicants the opportunity to ask any questions about starting a course with us.

The dates for our Summer Open Days are:

ALL HUDDERSFIELD CENTRES

WEDNESDAY 28 JUNE

5PM – 7PM (last entry 6.30pm)

OPEN DAYS - Scan the
QR code to find out more

If you would like to speak to a tutor or have any questions about your course or application, please email applications@kirkleescollege.ac.uk

Enrolment will be in August. More information will be sent out closer to the time.
