

CONSTRUCTION

CARPENTRY AND JOINERY

WE HOPE YOU ARE LOOKING FORWARD TO STARTING YOUR COURSE IN SEPTEMBER AT KIRKLEES COLLEGE. HERE ARE SOME RESOURCES FOR YOU TO TAKE A LOOK AT OVER THE SUMMER IF YOU WOULD LIKE TO GET A HEAD START.

WELCOME FROM THE CURRICULUM AREA MANAGER

“Congratulations on receiving an offer of a place within the Construction department. My name is Rob and I am the Curriculum Area Manager for Joinery. The building industry continues to grow and once again we have seen an increase in the number of students wishing to join us. All your lessons will take place at Brunel Construction Centre with a mix of practical and theory lessons. As part of your course, you will complete work placements to support your career opportunities once you are a fully qualified joiner. I look forward to seeing you in September.”

Rob

COURSE PROSPECTUS:

RECOMMENDED READING LIST

In preparation for your college course and future career in construction you could read books, magazines and watch as many programmes as you can to learn about the range of construction disciplines on offer.

At Kirklees College, we have wonderful Learning Resource Centres with books and magazines to inspire your creativity on subjects such as architecture, bricklaying, joinery and plastering. Here are just a few examples.

BOOKS AND MAGAZINES

City & Guilds
Carpentry and Joinery

City & Guilds
Site Carpentry
and Bench Joinery

Apprentice Builder
magazine

IT STARTS WITH YOU

TV PROGRAMMES

Grand Designs:

<https://www.channel4.com/programmes/grand-designs>

Presenter Kevin McCloud follows some of Britain's most ambitious self-building projects as intrepid individuals attempt to design and construct the home of their dreams.

The Restoration Man:

https://en.wikipedia.org/wiki/The_Restoration_Man#Episodes

Architect George Clarke travels around Great Britain profiling people restoring historically and architecturally significant buildings. The series typically features people aiming to convert nonresidential structures – including churches, water towers and windmills.

DIY SOS:

<https://www.bbc.co.uk/programmes/b006pnjk/episodes/guide>

Nick Knowles and the team issue a call to arms and recruit friends, family and local trades to help transform the homes of families across Britain.

USEFUL WEBSITES

<https://www.cityandguilds.com/> - Our awarding body organisation for the qualification you will be studying, here you will find out more information about the course content of your chosen course.

<https://www.hse.gov.uk/> - Health and safety is a major part of the construction industry, here you will find lots of information regarding the regulations relating to construction.

<https://www.trada.co.uk/> - TRADA (The Timber Research and Development Association) is an international membership organisation dedicated to inspiring and informing best practice design, specification and use of wood in the built environment and related fields.

EQUIPMENT NEEDED

Safety boots

Stationery set

A4 pad of paper

Make sure the Applications team have got your correct email address as this will be used to send further communications and your enrolment link.

This year enrolment will take place online and face to face.

GOT THE RESULTS YOU WANTED?

If you get the results you wanted on 24 August and you don't want to change your course, you don't have to do anything else. Applicants will be sent online enrolment links on results day.

If you have not met the conditions of your offer, achieved better results than expected or want to change course, our enrolment hotline opens on 14 August and we are available to discuss your options Monday-Friday.

Enrolment Hotline: 01484 437100

CONTACT DETAILS

If you have any questions about your application, please contact the Applications team by emailing applications@kirkleescollge.ac.uk, or by calling **01484 437033**.
