SUGGESTED READING LIST, WEBSITES, VIDEOS ETC.

Media is a wide-ranging area that includes Film, Television, Radio, Podcasting, Journalism, Publishing, Marketing, Photography, Graphic Design, Animation, Video games and more! There are many ways to engage with the topic such as simply watching a film or episode, but you will be required to also engage with how media is created alongside a wider range of sources. The links provided will give a good introduction to this diverse industry.

Many of the following publish to multiple online and social media platforms. You are encouraged to be proactive in your research to aid your personal and professional development.
