WELCOME FROM THE CURRICULUM AREA MANAGER

“Congratulations on receiving an offer of a place within the Construction department. My name is Paul and I am the Curriculum Area Manager for Plumbing. The building industry continues to grow and once again we have seen an increase in the number of students wishing to join us. All your lessons will take place at Brunel Construction Centre with a mix of practical and theory lessons. As part of your course, you will complete work placements to enhance your career opportunities once you are a fully qualified plumber. I look forward to seeing you in September.”
