

APPLIED AND FORENSIC SCIENCE

WE HOPE YOU ARE LOOKING FORWARD TO STARTING YOUR COURSE IN SEPTEMBER AT KIRKLEES COLLEGE. HERE ARE SOME RESOURCES FOR YOU TO TAKE A LOOK AT OVER THE SUMMER IF YOU WOULD LIKE TO GET A HEAD START.

WELCOME FROM THE CURRICULUM AREA MANAGER

“Congratulations on getting a place in the Science department. My name is Charlotte and I am the Curriculum Area Manager for Science. The Science department here continues to grow with an increasing number of students realising the benefits of studying a BTEC or T Level. These qualifications continue to open many study routes to students and almost all our Level 3 students choose to progress to higher education in a wide range of degree level courses. I look forward to welcoming you in September and seeing you working in one of our many labs. ”
