## KEY INFORMATION AND OPPORTUNITIES

We run Art and Design courses at both our Huddersfield Centre and Dewsbury Centres. Wherever you have applied, you will have access to amazing facilities such as creative workshops and photography studio, that will help you hone your existing design skills and develop new ones.

At college, work experience will be embedded into your learning and a big part of this is working on live briefs from organisations to get you ready to work as a designer. In the past year, students have worked with Oxfam, Soroptimist International and the Dewsbury Creative Town project on a range of art and design briefs to boost their CVs and gain valuable work experience.

If you are a rugby or a football player, you can also combine your studies with playing your sport by becoming a member of our Sports Academies. Keep an eye on your email account for information about academy trials.

## MEET OUR STUDENTS!

Rosie, Level 3 Art and Design:

"The techniques we get taught here are also what is used in industry, and I feel it has put me on track to be very knowledgeable and successful when the time comes to move on to university."

## CAREER PROGRESSION

Careers in Art and Design are varied and continue to evolve. You can pursue a range of careers, from traditional paths as an artist and designer, to working in graphic design and marketing, photography and videography, fashion design and textile making. Our specialist Careers Team will offer you guidance and support to pursue these paths, including applying for your next steps, which may be university or an apprenticeship.

## WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career. Alternatively, you will complete work experience to achieve a Careers and Personal Development Passport Award.

## SUPPORTING YOU

At Kirklees College, we are committed to supporting all our students wherever we can. We offer a wide range of specialist support which is carefully allocated to ensure help is accessible to everyone who needs it.
