## HELLO! FROM THE CURRICULUM AREA MANAGERS

Hi, we are Elona and Jo and we are the Curriculum Area Managers for Hairdressing, Barbering, Beauty and Media Makeup. On your course, you will be working in our salons which are open to members of the public. All the teaching team have an industry background and many still have an active client list. As well as developing your practical skills, we will support you in developing the customer service skills that are required to be successful in the industry. We look forward to meeting you in September!

## KEY INFORMATION AND OPPORTUNITIES

Whichever centre you have applied to study at, you will be learning in a fully functional salon. Our Boothroyd's Salon at Pioneer Higher Skills Centre boasts a fully equipped spa and massage room and hair salon, as does the Sanctuary Salon at Huddersfield Centre. At both centres, you will practice on real clients as part of your course, whether that is women's haircuts, barbering, beauty treatments or practicing your creative media makeup projects on clients.

At the start of the year, you will be given a Kit and Uniform form to order the equipment and uniform specific to your course, from our suppliers Robi. Financial support for these is available and more information will be given to you at the start of your course.

If you are a rugby or a football player, you can also combine your studies with playing your sport by becoming a member of our Sports Academies. Keep an eye on your email account for information about academy trials.

## MEET OUR STUDENTS!

Katie, Level 3 Beauty Therapy:

"The practical work on my course is definitely what I enjoy most. The college also helped me to gain work experience in a salon and they have now kept me on as a part-time worker."

## CAREER PROGRESSION

Careers in the Hair and Beauty sector are varied and there are more roles available in the sector than ever. Potential career paths include hairdressing, barbering, beauty therapist and salon manager. We support our students to prepare for their future careers, through interview and CV skills workshops, embedding professional conduct into the curriculum and work placement opportunities.

## WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career. Alternatively, you will complete work experience to achieve a Careers and Personal Development Passport Award.
