# JOINERY

## **HELLO! FROM THE CURRICULUM AREA MANAGER**

Congratulations on being offered a place in our ever-growing Joinery department here at Brunel Construction Centre. My name is Rob, and I am your Curriculum Area Manager for Joinery. The building industry continues to grow and once again we have seen an increase in the number of students wishing to join us. All your lessons will take place at Brunel Construction Centre with a mix of practical and theory lessons. I look forward to meeting you in September.

## KEY INFORMATION AND OPPORTUNITIES

Brunel Construction Centre is one of the leading Construction departments in the region and we are proud to be leading the way with our learning facilities and workshops, providing unique experiences and an excellent learning environment.

We also host a range of regional and national competitions at Brunel Construction Centre and encourage all our students to enter industry skills competitions to build your experience and push yourself. These competitions are also a lot of fun so make sure you sign up if you get the chance!

You will be required to purchase a pair of steel toe cap safety boots, which typically cost between £15 and £20 and can be bought from any construction retailer.

## MEET OUR STUDENTS!

Bobby, Level 2 Joinery

"I joined the course because I have always loved working with wood and craftsmanship. My favourite part of the course is getting hands-on and I love taking a drawing from 2D to 3D."

## CAREER PROGRESSION

Throughout your time at Brunel Construction Centre, you will have the opportunity to engage in hands-on training, theory coursework, and real-world experiences that will prepare you for a successful career in the Brickwork industry.

Potential career pathways include: Bricklayer, Site Manager and Business Owner.

## WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career.
