COLLEGE**

WELCOME TO THE KC COMMUNITY

MOTOR VEHICLE

HELLO! FROM THE CURRICULUM AREA MANAGER

Congratulations on securing a conditional offer in the Motor Vehicle department. We are looking forward welcoming you to either our Engineering Centre or Springfield Sixth Form Centre in September. Gareth looks after Motor Vehicle at Engineering Centre and Clare at Springfield Sixth Form Centre. The Motor Vehicle industry is ever-changing and growing, so starting your career in this sector will open many doors for you and we can't wait to see your studies take you.

KEY INFORMATION AND OPPORTUNITIES

If you are studying at our Engineering Centre, you will also use the facilities in our Hybrid Electric Vehicle Centre where we have electric cars and rigs for you to practice your skills on the cars of the future. We also have a MEX Evocet kit car that we enjoy letting our students have a go at constructing as a fun challenge, and to expand your experience of different vehicles even further.

At our Springfield Sixth Form Centre, you will also have access to a variety of vehicles for you to practice on, so you can gain practical, hands-on experience that is essential to becoming a motor vehicle engineer.

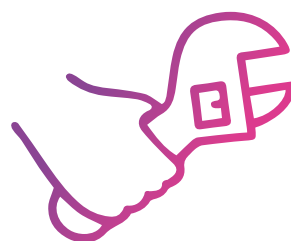

If you are a rugby or a football player, you can also combine your studies with playing your sport by becoming a member of our Sports Academies. Keep an eye on your email account for information about academy trials.

MEET OUR STUDENTS!

Bian, Motor Vehicle and ESOL:

"My tutors at Kirklees College are lovely and friendly, it helps me enjoy both my courses, Motor Vehicle and ESOL. The building is great, and I would recommend Kirklees College to other people."

CAREER PROGRESSION

Throughout your time at Kirklees College, you will have the opportunity to engage in hands-on training, theory coursework, and real-world experiences that will prepare you for a successful career in the Motor Vehicle industry.

We have a dedicated Careers Team at Kirklees College who can help you figure out your next steps after college, whether that be applying to university, an apprenticeship or further training.

Potential career pathways include: motor mechanic, garage manager, heavy goods technician, body and paint assessor and automotive diagnostic technician.

WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career. Alternatively, you will complete work experience to achieve a Careers and Personal Development Passport Award.

SUPPORTING YOU

At Kirklees College, we are committed to supporting all our students wherever we can. We offer a wide range of specialist support which is carefully allocated to ensure help is accessible to everyone who needs it.

Types of support on offer:

- Financial
- SEND
- Counselling
- Sexual Harassment – Call It Out
- Exam Support
- Careers & Employment
- Health and Wellbeing
- Support for Care Leavers and Children Looked After
- Support for Young Parents, Young Carers and Estranged Students
