## KEY INFORMATION AND OPPORTUNITIES

This year we have secured funding through the Government's Local Skills Improvement Fund (LSIF) to renovate our live music studio at Huddersfield Centre with lots of new digital music production equipment. This will bring all your learning up to speed with the latest digital innovations in music recording, production and performance.

We have a great partnership with Smile Bar venue in Huddersfield and as a music student at Kirklees College, you will have the opportunity to perform here at gigs organised by your peers.

If you are a rugby or a football player, you can also combine your studies with playing your sport by becoming a member of our Sports Academies. Keep an eye on your email account for information about academy trials.

## MEET OUR STUDENTS!

Fintan, Level 3 Music:

**"I chose Kirklees College because of all the music equipment available. The tutors are very kind and supportive too."**

## CAREER PROGRESSION

Careers in the Music industry are varied and continue to evolve. You can pursue a range of careers, from traditional paths as a musician, singer or DJ, to behind-the-scenes roles in tour and events management. Our specialist Careers Team will offer you guidance and support to pursue these paths, including applying for your next steps, which may be university or an apprenticeship.

## WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career. Alternatively, you will complete work experience to achieve a Careers and Personal Development Passport Award.
