# WELCOME TO THE KC COMMUNITY

# PLUMBING

## HELLO! FROM THE CURRICULUM AREA MANAGER

Congratulations on being offered a place in our ever-growing Plumbing department here at Brunel Construction Centre. My name is Paul Whitaker, and I am your Curriculum Area Manager. We are excited to have you join our community of students.

As a Curriculum Area Manager, my role is to ensure that you have the support and resources you need to excel in your studies and beyond. Our dedicated team is here to guide you every step of the way.

I encourage you to take full advantage of the resources available to you, including our workshops and industry connections. Your time here will be what you make of it, and I have no doubt that you will thrive.

## KEY INFORMATION AND OPPORTUNITIES

Brunel Construction Centre is one of the leading Construction departments in the region and we are proud to be leading the way with our learning facilities and workshops, providing unique experiences and an excellent learning environment.

We also host a range of regional and national competitions at Brunel Construction Centre and encourage all our students to enter industry skills competitions to build your experience and push yourself. These competitions are also a lot of fun so make sure you sign up if you get the chance!

You will be required to purchase a pair of steel toe cap safety boots, which typically cost between £15 and £20 and can be bought from any construction retailer.

## MEET OUR STUDENTS!

Tanaka, Level 1 Plumbing Practice:

**"Studying plumbing at Brunel has been an eye-opener! From fixing leaks to mastering complex systems, every day is hands-on and exciting. The transition from high school to college can be difficult but the tutors are super supportive, making learning fun and practical. I can't wait to see where this journey takes me!"**

## CAREER PROGRESSION

Throughout your time at Brunel Construction Centre, you will have the opportunity to engage in hands-on training, theory coursework, and real-world experiences that will prepare you for a successful career in the Plumbing industry.

Potential career pathways include: Plumber, Site Manager and Business Owner.

## WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career. Alternatively, you will complete work experience to achieve a Careers and Personal Development Passport Award.
