## KEY INFORMATION AND OPPORTUNITIES

Travel and Tourism is an exciting and competitive industry and we want to make sure that all our students leave college with the skills they need to stand out when applying for further training or jobs.

All of our Level 2 and 3 courses have an aviation or cabin crew focus and if you have enrolled onto one of these courses you will benefit from lessons and training in our mock air cabin at Huddersfield Centre. Whichever course you're on, however, you will gain lots of work experience opportunities to collaborate with a range of employers from local, national and international tourism companies.

You will need to purchase a black skirt or trousers, black blazer, white shirt and black shoes as part of your uniform. You will also need to purchase a scarf, tie and badge thorough the college store when you start your course in September. Your tutors will provide more details on this when you start and financial support is available.

## MEET OUR STUDENTS!

Stanley, Level 2 Cabin Crew:

**"My tutors are very supportive and the course has set me up for my future career. I have secured a job with Ryanair once I leave college and can't wait to start."**

## CAREER PROGRESSION

Careers in Travel and Tourism are varied and there are more roles available in the sector than ever. Potential career paths include: cabin crew, pilot, travel agent, air traffic controller, tour guide and more. We support our students to prepare for their future careers through interview and CV skills workshops, embedding professional conduct into the curriculum and work placement opportunities.

## WORK EXPERIENCE

As part of our Employability Pledge, you will have work experience embedded into your timetable. If you are on a Level 2 or 3 course, you will work with a dedicated Work Experience Coach, who will help you find a placement suited to your course or chosen career. Alternatively, you will complete work experience to achieve a Careers and Personal Development Passport Award.
