Functional Skills and Essential Digital Skills

Enrolling your staff onto a Level 2 Functional Skills English or maths course at Kirklees College has a range of personal and professional benefits. MARIE, SUPPORT WORKER AT KIRKLEES COUNCIL

Studying Maths and English Functional Skills Level 2 and Essential Digital Skills:

"For me, coming back to college was all about empowering myself. I originally went back to education in 2013 to get my Science qualifications but unfortunately had to stop those courses due to an operation, so really I have come back to finish what I started and prove that you are never too old to learn."

ABBIE, LEVEL 4 DIPLOMA IN THERAPEUTIC COUNSELLING

"I would recommend Kirklees College for the exceptional quality of teaching, and the very positive experience that I have had at the college. Being at a college offers a less intimidating setting in comparison to a university, but provides an ideal stepping stone for those wanting to move on to university."
