# WELCOME TO OUR SEPTEMBER 2025 ADULT COURSE GUIDE

---

2025 is a momentous year for Kirklees College, as we celebrate 200 Years of Technical Education in Kirklees. In both Huddersfield and Dewsbury, we can trace the roots of our current college back to the year 1825, when the first Mechanic's Institutes for working people were established in our local area.

This long history is evidence of our ongoing commitment to lifelong learning, and our adult course offer remains a strong example of our mission statement: Creating Opportunities, Changing Lives.

At Kirklees College, we understand the demands of today's workplace, which is why we are committed to supporting you to gain the skills needed to succeed in your chosen career.

We are here to support you across all areas of learning, whether you are looking to try something new, upskill in your career or are thinking about returning to education following a break, we can help you to achieve your goal.

Ranging from one-day workshops to evening classes and professional qualifications, there is no better place to start than Kirklees College.

With courses available at one of our centres, online or as part of continued professional development in the workplace, you can benefit from flexible learning designed to fit around your lifestyle.

Invest in yourself and enrol now to secure your place for September 2025.

# FUNDING AND ELIGIBILITY

West  
Yorkshire  
Combined  
Authority

Tracy  
Brabin  
Mayor of  
West Yorkshire

The Adult programme is funded through the devolved Adult Skills Fund for West Yorkshire. The Mayor of West Yorkshire and the West Yorkshire Combined Authority are investing £65 million a year to improve skills across West Yorkshire – particularly among those who need it most.

## Am I eligible for financial support?

You may be entitled to fee remission on eligible courses through the Adult Skills Fund.

In particular, the following people may be entitled to fully funded access to training:

- Unemployed and seeking work
- Wanting to achieve Level 2 in maths or English for the first time
- Earning less than £25,750 year
- Wanting to achieve basic digital skills
- Wanting to achieve your first full Level 2 or Level 3 (GCSE or A-Level equivalent) qualification

If you meet the above criteria and want further information about funding your course, please contact the Course Information team.

## Advanced Learner Loans (19+)

An Advanced Learner Loan provides financial help for those studying eligible Level 3 – 6 courses. If you are aged over 19 and already have a Level 3 qualification or don't meet the eligibility criteria for fee remission, you can apply for an Advanced Learner Loan to fund your studies.

For more information and to find out if you are eligible, please email **[customerservices@kirkleescollege.ac.uk](mailto:customerservices@kirkleescollege.ac.uk)**

**T** 01484 437100

**E** [info@kirkleescollege.ac.uk](mailto:info@kirkleescollege.ac.uk)

Please note all funding rules are subject to change with no notice.
